Teknowell EduTech, Chichwad

SKILLS

Front-End Technology	Back-End Technology	Database
Html5, CSS 3, Bootstrap 5, JavaScript, React-JS	Core-Java	MySQL

INTERNSHIP EXPERIENCE

TECHVIEW INFOTECH

Role:- Front-End Developer Intern   Nov 2023-Present

As a Front-End Developer Intern at Techview Infotech, I'm focused on mastering web development skills like HTML, CSS, and JavaScript. Collaborating closely with the team, I'm actively contributing to projects while refining my UI/UX design abilities.

Current project
Hospital Management System   Nov 2023-Present

Currently working on a Hospital Management System as part of my internship project, integrating HTML, CSS, JavaScript, Bootstrap, Servlet, and JSP. Designing user-friendly interfaces and implementing efficient functionalities for seamless hospital operations.

PERSONAL PROJECTS

Flight Management System   2022-2023

Developing a Flight Management System as my final college project, utilizing HTML, CSS, JavaScript, Bootstrap, and Python. Designing an intuitive interface and implementing robust features for efficient flight management.

Photolab Management System

Creating a Photolab Management System as a personal project, leveraging HTML, CSS, JavaScript, Bootstrap, and Python. Designing an efficient system for managing photography-related tasks and operations with a user-friendly interface.
